Document Capture made Easy

With e-Scan Answers you can easily scan all of your important documents such as invoices, part drawings, packing slips, HR documents, or any other document directly into Exact Synergy. Data extraction from OCR and Barcodes, and document type recognition provide ways of automating the document upload process.

Flexible Storage Options

ESA provides flexible options for storing and viewing your documents in Exact Synergy. You can view a thumbnail of the document, document text as the body of the document and have the document as an attachment. Your documents are stored in Exact Synergy your way.
